

# The Climb

Miley Cyrus

**D** |

**D**↓ I can almost see it, **D**↓ that dream I'm dreamin' but

**G**↓ There's a voice inside my head sayin'

**Em**↓ You'll never reach it

**D**↓ Every step I'm takin'

**D**↓ Every move I make feels, **G**↓ lost with no direction

**Em**↓ My faith is shakin' but

**Bm**↓ I got to keep **F#m**↓ tryin'

Got to **G**↓ keep my head held **Em**↓ high

## Chorus

**D** There's always goin' to be another mountain

| I'm always goin' to want to make it move

**G** Always goin' to be an uphill battle

**1/2Em** Sometimes you goin' to **1/2A** have to lose

**D** Ain't about how fast I get there

| Ain't about what's waitin' on the other **1/2Bm** side **1/2A**

**G** It's the **D** climb |

**D** The struggles I'm facin', | the chances I'm takin'

**G** Sometimes they knock me down but

**Em** No, I'm not breakin'

**D** I may not know it

| But these are the moments that **G** I'm goin' to remember most, yeah

**Em** Just got to keep goin'

And **Bm** I, I got to be **F#m** strong

**G** Just keep pushin' **Em** on

## Repeat Chorus

**G** | **Em** **F#m** **G** **A**

**D**↓ There's always goin' to be another mountain

**D**↓ I'm always goin' to want to make it move

**G**↓ Always goin' to be an uphill battle

**Em**↓ Sometimes you goin' to have to lose

**D** Ain't about how fast I get there

| Ain't about what's waitin' on the other **1/2Bm** side **1/2A**

**G** It's the **D** climb |

**D** |

Keep on **D** movin', keep climbin', | keep the faith, baby

**G** | It's all about, it's all about the **D** climb |

Keep the faith, keep your **G** faith | **D**↓
