

Make The World Go Away

Willie Nelson

Chorus

Make the world go a **F** way
G7 And get it off my **C** shoulder
| Say the things you used to **F** say
G7 And make the world go a **C** way **C↓**

Do you remember when you **G7** loved me
| Before the world took me a **C** stray
| If you do then for **F** give me
G7 And make the world go a **C** way **C↓**

Repeat Chorus

I'm sorry if I **G7** hurt you
| I'll make it up day by **C** day
| Just say you love me like you **F** used to
G7 And make the world go a **C** way **C↓**

Make the world go a **F** way
G7 And get it off my **C** shoulder
| Say the things you used to **F** say
G7 And make the world go a **C** way
| Say the things you used to **F** say
G7 And make the world go a **C** way **C↓**
